Gaming Challenge

Let’s move on to the last level of our game challenge:

Have you ever thought of the games which we play today?

They all were imagined and created by someone just like you!

If Play is our brain’s way of learning…

Why not create our own way of play?

RIVERSIDE ONLINE

In this time of Lockdown …

Let’s unlock our limits to play,

Let’s design our own way…

Let’s unlock our imagination and creativity…

Let’s make a Home Made and a Home Played Game ☺

RIVERSIDE ONLINE

What and How??

TODAY - We have a surprise **mystery box challenge** for you!

All you have to do it to use minimum **TWO** of the items to make your OWN fun game to play with your friends and family.

The game should be played by a **minimum of 4 people** and as many people as you want!

Create the **RULES** and the **METHOD** to play the game and decide how one will win or lose ☺

(minimum 5 materials)

Create your own Game!

ARE YOU READY??!

CHOOSE your 5 items!!

1 item from the **kitchen**

1 item from the **bathroom**

1 **toy / block**

1 item from your **school bag**

1 item of your **choice**!

HAVE FUN!!

Things to keep in mind :

Think about a game you LOVE playing
List down the reasons why it is so much fun
Think about the rules and the way to play it

NOW, you can use this to help create your OWN fun game!

Remember – there is NO right or wrong game – its what YOU have designed and others can have fun playing!!

Share it with US!

Remember to give a name to your game!

Send us a simple video on the phone with you playing the game with the family and do send us the rules (written or shared by video)

So that we can also play it and your friends can play it tooooo! ☺

Have a great time !
